Mike Yerdon - would like Nuclear and County of Oswego put back in the sentence " Further, there are existing hydroelectric, **nuclear** and other generational assets within the Town of Redfield and **County of Oswego** which already are on the tax rolls, employee residents and face transmission constraints to market which must compete with new energy systems covered by RPLT§487. Mike - it has a direct impact on the Town of Redfield because of the County Taxes. CM M. Tompkins - also the same sentence should read employ not employees residents, likes Mike's additions. CW E. Yerdon - is good with it, we can't legislate but thinks that sentence would be ok.
